REASONS FOR ALLOWANCE

Claims 14-22 are allowed because the claimed invention including the features of a structure direction airflow across elongated tubes containing flammable pressurized gas or to support flames along their length or a plurality of heated high voltage structures so as to dispose a thermionic emission, web disposition between charge bars and tubes or structures, and a web repellent or means for collecting ionized fumes, vapors, and gases is not found in the prior art either singly or in combination. The closest prior art references were used in an earlier action rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Gravini whose telephone number is 571 272 4875. The examiner can normally be reached on normal weekday business hours (east coast time).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Monica S. Carter can be reached on 571 272 4475. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
